

Dear community member

The rezoning of the land on Eastern Rd is now on public exhibition. We have until the 3rd of April to get our submissions in. [Click here for the details on the Councils website.](#)
[Our website has been updated with information you can use.](#)

It is important to remember that the current proposal is to rezone the land, it is NOT a development application.

Once rezoned anything could go there that fits the criteria - Aldi, Woolworths, Light industries, Medical centres, Oyster aquaculture, Tank-based aquaculture, Water reticulation systems

The concept plans do not comply with the site-specific DCP.

What is advertised will not be built. Harris Farm will be required to redesign the entire proposal and turn it into ... ?

In case you missed it here is a [link to an email sent by Alister Henskens earlier this week.](#)

What should you do

Provide feedback

Email your local [Councillor Donna Greenfield](#) - who has consistently voted for the rezoning and for Harris Farm.
